**HSS**

**ENGINEERING**  
WARNING SYSTEM SOLUTIONS

HSS ENGINEERING IS A  
DIVERSE ENGINEERING  
COMPANY AND PROJECT  
DELIVERY ORGANIZATION,  
PROVIDING SERVICES  
TO THE INDUSTRIAL, PUBLIC  
AND DEFENSE SECTORS

# FROM WAR ZONES TO ANY PLACE ON EARTH

We work successfully with a wide range of clients across North America, Central America, South America, Middle East, Asia, Europe, and Oceania to provide cost effective, innovative and customize warning solutions. Across our 40-year heritage, HSS Engineering has successfully delivered a variety of projects featuring diverse process technologies to clients around the world. Whether at the due system consultancy, delivery of equipment, installation, commissioning, training and services of a project HSS Engineering has the expert knowledge and caliber of personnel to integrate the projects core technology as part of a fully balanced, integrated project. Summary details of selected project references since 2003 can be found on our reference list.
