EMERGENCY SYSTEMS

*The rack  
is a solution for  
your emergency  
warning system*

## RACK GV-RACK

The GV-RACK incorporates common features, such as adjustable 19-inch mounting angles and jacking feet, the Giant Voice® RACK range offers a configurable top panel system that provides an open base design to promote trouble free service and maintenance.

The GV-RACK is designed to provide the flexibility needed to suit all requirements of your Giant Voice® Emergency Management System. The rack can be fitted with options such as a top active fan and SMART UPS.

The GV-RACK is built to high quality standards.

### FEATURES

- Environmental protection rating IP20
- Adjustable 19-inch mounting rails
- Upgradable plain top panels
- Open base design
- Glazed front door and plain steel rear door
- Lockable lift off side panels
- Jacking feet fitted as standard
