A 65" touch screen for large format display

## TOUCH SCREEN GV-TS65

The GV-TS65 is a 65" feature-rich and robust large format display with touch screen functionality. Incorporating the latest MVA panel technology, the display guarantees great viewing from all angles, high brightness and exceptional colour clarity. It also features an ambient light sensor delivering exceptional performance with the added benefit of saving on power.

Analogue and Digital inputs are available for flexible connectivity along with USB access for the Touch Interface.
